### SAFETY FIRST

Keep a bucket of water handy and immerse oily rags to prevent spontaneous combustion.

### MONTHLY MEETING

**MARCH 16, ROOM 105 INDUSTRIAL SCIENCES BLDG, CSU**  
**BUSINESS MEETING 7:00PM**  
**DEMONSTRATION 7:30PM**

Topics to be discussed at the March meeting are as follows:

1. Ideas for a logo
2. Whether we should become a chapter of AAW or obtain nonprofit status on our own

We might also want to discuss:

3. Forming a committee to plan the demonstrations for future meetings
4. If we want to have refreshments for meetings and how to decide who is responsible for bringing them
5. The suggestion made by a member that we include safety tips in the newsletter. If so, should we give a raffle ticket to the person who submitted the tip.
