Rocky Mountain Woodturners

A Chapter of the American Association of Woodturners

Next Meeting/ First Meeting at Woodcraft.

3718 Draft Horse Drive
Loveland, CO 80538
Phone: (970) 292-5940

This move is necessary because CSU is remodeling the building in which we met for nearly 12 years.

Here is a Map:

Loveland Woodcraft is easily found:
Take the Crossroads exit 259 off I-25

Drive east about 1/2 mile. Watch for Mercantile signs. (if you pass a stoplight, you have gone too far east)

Turn south at the Mercantile signs on St. Cloud Drive and bend a bit with the signs to find the very large building that houses the Woodcraft store, The Mercantile and several other businesses. Entrances all face south.

The only Woodcraft sign is on the front (south) of the building.

Remember to this a BYOC (Bring Your Own Chair) Meeting

January Demo

The program demonstration will be Phil Houck - The Skew for Beginners, and when it comes to the skew, most of us are beginners. However, learning to use this tool will improve the use of other tools.

Christmas Party

The Christmas party at Dan and Nancy Bailey's was GREAT! About 65 people enjoyed good food, good fellowship and a fun auction. Thank you Dan and Nancy!

Dave Wilson, President
Drew Nichols, Vice President
Ray Cole, Secretary/Newsletter
Richard Bailey, Treasurer
Trent Bosch, Program Chair
Allen Jensen, Symposium Chair
Kent Krueger, Sound System Engineer

EMPTY BOWLS PROJECT

Feb.27th,2007

This is a good opportunity to get visibility for Woodturners in our community.

If you would care to donate a bowl, to this project please bring to the Feb. 8th meeting.

Mike McCarthy said, the larger bowls sold for there asking price, but all the bowls sold, and that all are appreciated.

Thanks Again

Good camera Operator wanted

Does your club have a really good camera operator? Great video work is essential for our AAW symposium demonstrations. A continuing theme in the evaluations is to improve the quality of the video during demonstrations. We all know video quality varies with the experience and expertise of the individual behind the camera. Most are adequate, some are poor, and some are excellent.

Help us find the best.

Does your club use video?

Do you have an excellent videographer(s) (camera person)?

If that individual(s) likely to come to the 2007 Symposium in Portland, please recommend them bye-mail to:

AAW2007@hockenbery.netsubject: Video recommendation body should include:

Videographer's name

Videographer's e-mail

Videographer's phone number

Club name

Recommending club officer

Our goal is to have only excellent people behind the camera. Help us identify the 30 best video people coming to the symposium so that we can give them some recognition, provide a complimentary symposium registration, and put them to work.

I have seen a lot of talented camera work at different AAW clubs.

If your club has one or more of these talented folks who are coming to the symposium, please let us know.

Thanks,
Al Hockenbery
AAW Board
