January meeting notes

The January meeting was held January 7th at Woodcraft in Loveland.

Katherine Kowalski called the meeting to order.

The following announcements were made:

Frank Amigo gave us a report on the benefits of AAW membership, and encouraged us all to join the AAW.

John Harpold reminded us that EOG Applications are due January 15, 2010, and encouraged us to apply. Recipients of previous grants gave reports on how those were used. Katherine Kowalski told us how much she enjoyed the woodturning class she attended and thanked us for the opportunity. Doug Schneider told us how he used the grant to purchase turning tools for his high school classes to use, and got more than he had anticipated thanks to an unanticipated discount from the good folks at the Woodcraft store.

Allen Jensen reported that the Symposium made a profit, and that the auction was successful in raising money for our EOG fund.

After the meeting, those of us who brought items to be auctioned moved those items to the auction table. Allen Norris and Katherine Kowalski assisted Drew Nichols in presenting pieces and encouraging bids. Donators included - and please forgive any inadvertent omissions - Cindy Drozda, David Nittman, Doc Thode, Doug Schneider, Katherine Kowalski, and Allen Norris.

We raised \$730 in funds to begin the new year. Thank you for donating and for bidding.
