Next RMWT Meeting

The next meeting of the RMWT will be on January 6, 2010, 6:30 PM.

Ashley Harwood

I will demonstrate simple ways to create different foot and rim designs for utilitarian bowls. I will talk about design, emphasizing the marriage of function and aesthetic appeal. I will use the push-cut style of turning and will demonstrate free-hand grinding on a platform and negative rake scraping. For the hands on portion, I will go more in depth on setting up the piece in the chuck correctly, cutting the bowl out of the tree and centering the grain in the workpiece.

David Nittmann will be in early (around 6:00) if you would like a one-on-one critique of your work.

Please bring your work to display whether you are a beginner or advanced turner! We love to see what you create – it's part of the wonderful sharing community that we have within the club!

Shop Tour

The next Shop Tour will be announced soon. If you would like to volunteer to host a Shop Tour, please contact Drew Nichols . dcnichols2004@msn.com , 970-566-4662

Club News

We **NEED** volunteers to run our club! Members of the Board of Directors ARE eligible for the EOG. Positions:

President – Ambassador from the club to the community

VP – Signs up new members, prints name tags & membership cards, calls the wood raffle

Treasurer – Receives monies, makes deposits & disperses funds via checks

Secretary – Takes minutes at the meetings

Volunteering only takes a few hours per month, and is a great way to get to know the turning community better. **PLEASE**, if you've been a member of the club for a long time, or if you are new, please consider helping the club in this essential way. Katherine Kowalski will help transitioning volunteers for any of the Board positions. **Elections will be held at the January meeting!**
